Race Track

56 Diarization

I ended this session early because all I was getting were strong impressions of a horse race track and all the sights / smells congruent with that.

56 Diarization

A sprawling historic city with snow-capped mountains in the distance.

The populace is agitated, and at odds with other groups there is some fighting in the streets.

Military jets are traversing the sky.

Newspaper reports are inciting more violence. There are people making bombs.

Wesley Wuggan - Takagi

This session felt very diffuse. I could not hone into anything specific.
