End session: 20:30

The target is a location and event. Describe the target.

090227

XXX 01

1A: gradual incline
curve down
angle up

patchy
spotty
rough

1B: unknown

5c: stone

2A: curve down

incline
straight
uneven
not smooth

2B: ~~draggy~~

3A: curve down
 flatten
 straight
 unobstructed
 flowing
 3B: rolling land
 4A: down
 90° angle
 straight
 hard
 rough
 4B: metal
 5A: down
 right angle
 straight
 smooth
 5C: cold surface
 5B: metal

P2 (unknown)

brown

hard

grassy

green

blue patches

curved

populated

brownish black
 stretching

5C: people

5C: people containers

(2nd unknown)

sweeping

lifting

moving forward

AT: mechanical device moving forward then curving back up and down.

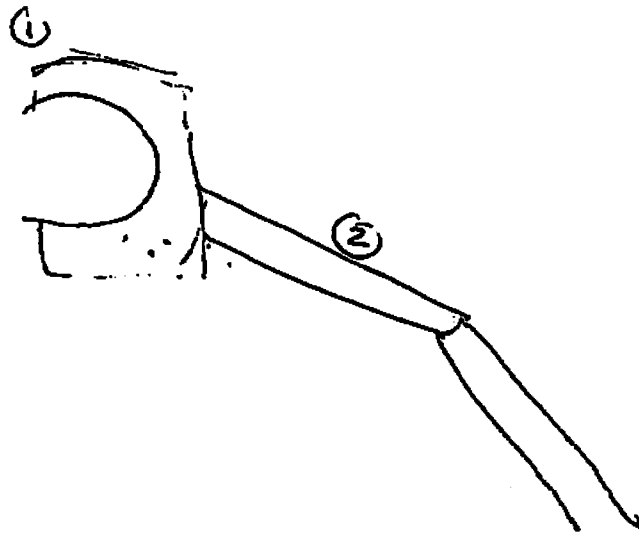

I feel interested

sc: outdoor

sc: people having fun

sc: holiday feeling

P3:

① open container
 moves up ↑
 back ←
 down ↓
 forward →

staying with the opening like this

metal
 grill over it
 doesn't obstruct view

② moves the opening (1)
 white
 crane-like
 metal

(purpose?) pick up / scoop up ↓ move things

③ foothills in distance
 purplish
 grey

④ land
 rough
 slightly uneven
 ground covering is patchy

P4
P2 D A: 31 T C SC CS

(populated)

noisy
men

women

interested

interested - them

curious - me

spectators

work event, creating
something

sc: feel like it's
really off base

(metal)

multiple
machines

Cars

~~(machines)~~

(machines)

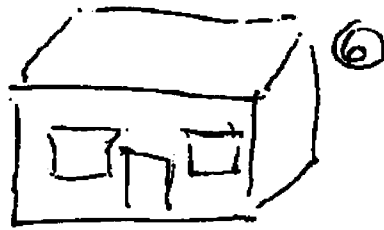

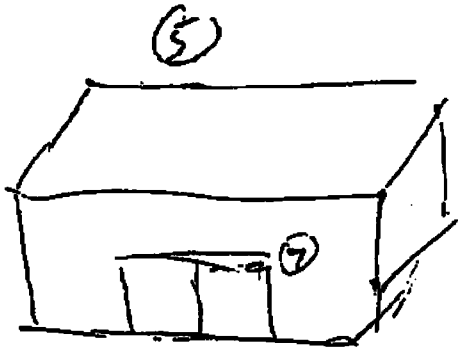

demonstrating
gathering onlookers

(land)

open
countryside
built upon

Notes see p 5A + 5B

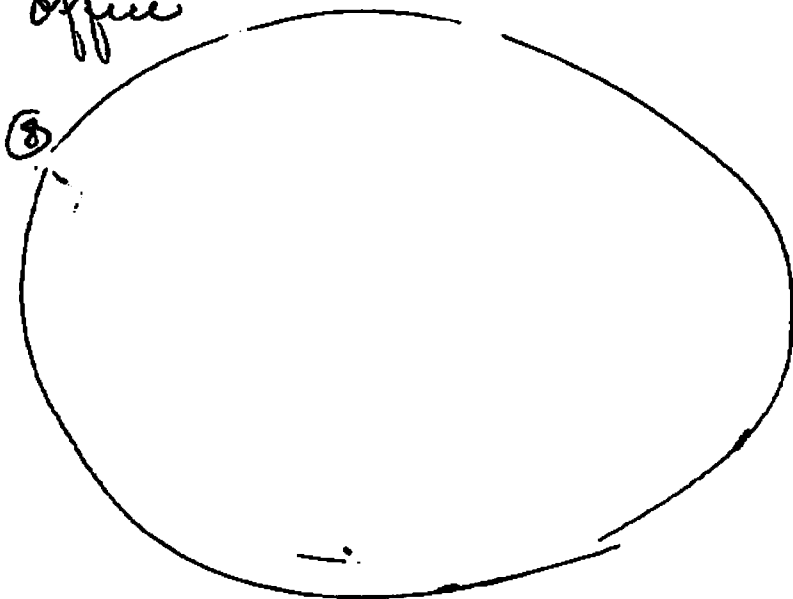

See p.5

⑤ outdoor building
 temporary "permanent"
 corrugated

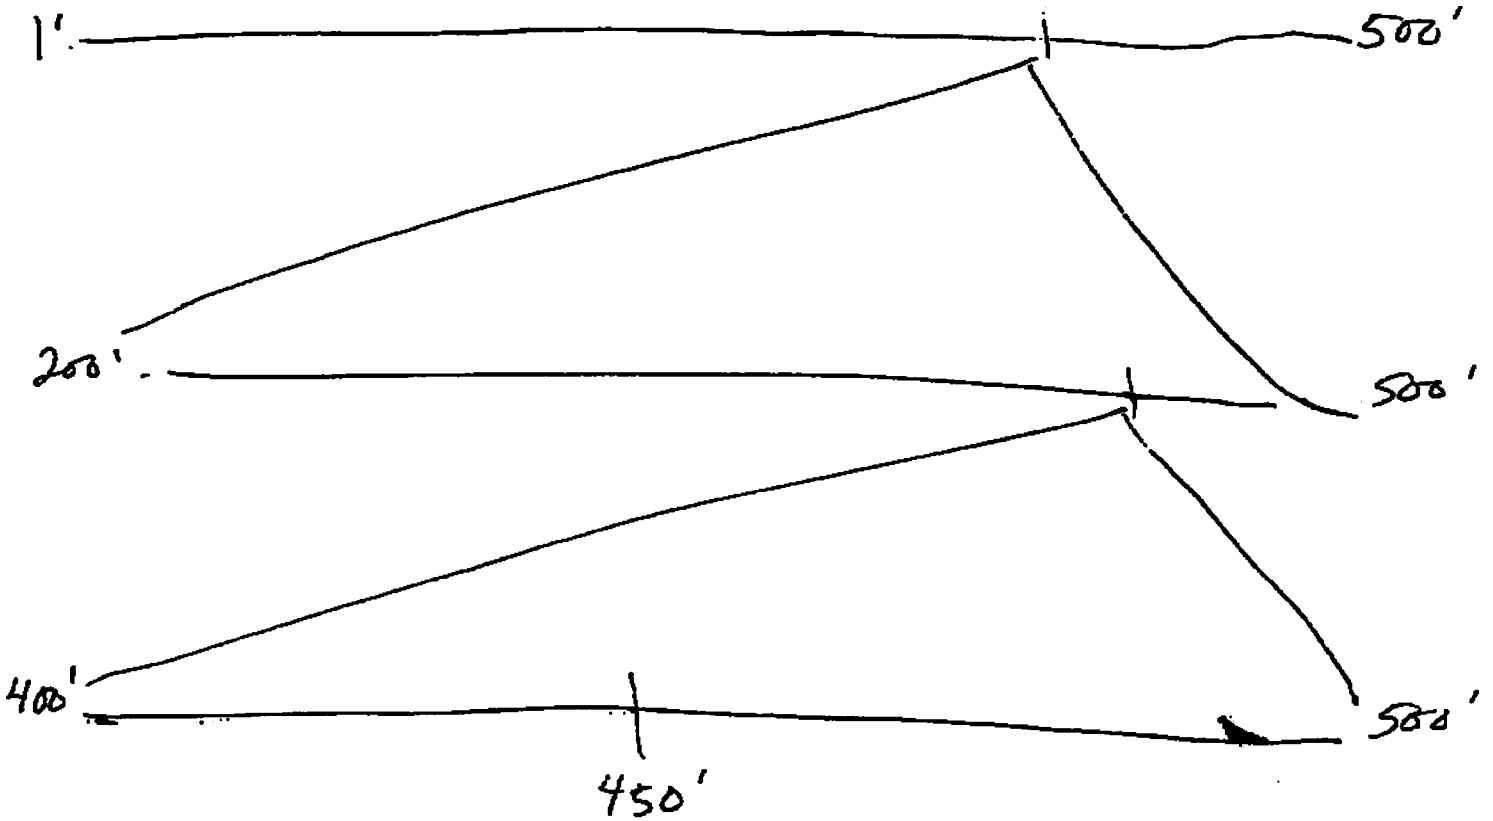

⑦ double door
 large enough to let tractors, machines
 go in and out

⑥ smaller outdoor bldg
 office

See p 5.

⑤ Area where activity + people are gathered in front and some distance away from ⑤+⑥

Activity area about 450' from buildings

P2 D AI SI T e SC CS
①

crane-like
entertaining

work tool

demonstrations
entertainment

moving
metal sounds

SC really feel off
use on this

End session: 20:20

Summary the target contains elements of:

- land
- metal objects
- people

The land is: open
countryside

dry
foothills in distance
purplish
grey
scrubby
uneven

The metal objects are

crane-like

white

open cage

gill covering

purpose: move things

cars

unimportant to the target

buildings

store

office

The people are

male

female

onlookers

watching machines at work

Other things I observed:

activity is outdoors
cold out but not bitterly cold
daytime

End summary: 20:30
